

Energy bill discounts

Energy Bills Support Scheme (EBSS)

This provides a discount for each household from October 2022

How much will I get?

You'll get £400 in six instalments

- £66 in October and November
- £67 in December, January, February and March

You'll get the discount monthly even if you pay for your energy quarterly

You don't need to apply and you don't need to repay the discount

How you get the discount will depend on how you pay for energy

Additional help from your supplier

You might be able to get extra help from your energy supplier by signing up to the Priority Services Register

You can sign up if you've reached state pension age or if you are disabled or sick or if your energy supplier considers you to be 'vulnerable'

The energy supplier can help with:

- Reading the meter
- Moving your energy meter free of charge
- Getting your bills sent to a carer

More information is available on the [Citizens Advice website](#)
